An abstract graphic on a dark blue background with small white stars. A large, dark olive-green circle is centered. Inside it is a bright yellow speech bubble with a white outline and a white dot at the top. The text "Intel inside once a humor" is written in white serif font inside the speech bubble. A white circle is at the bottom left of the olive-green circle, and a yellow circle is at the top right. A semi-transparent grey circle overlaps the right side of the yellow speech bubble.

|| Hello! The world of IoT!

The background is a dark blue gradient. In the top right corner, there is a bright, starburst-like light effect composed of many thin, radiating lines. In the bottom right, a large, semi-circular fan of fiber optic cables is visible, with their ends glowing and radiating light. The word "Digital" is written in a large, stylized font, composed of many small, glowing dots, and is positioned within the fan of light. The word "Thank you" is written in a large, yellow, serif font in the upper left area.

Thank you
