

5G Core  
Summit

# 5G Core Summit 2022

Intelligent Core, Intelligent World

25 - 26 October 2022  
Bangkok, Thailand

Dear Sir/Madam,

Huawei cordially invites you to attend the 7<sup>th</sup> 5G Core Summit in Bangkok, Thailand on October 25–26, 2022 sponsored by Informa Tech and organized by Huawei.

Since its first commercialization, the global rollout of 5G is happening at an unprecedented rate. 5G has become a driving force for the development of the digital economy and is fueling more and more industries as we move towards 5.5G.

As for the core network, the industry is setting its eyes on constructing a highly stable, converged, and reliable 5G Core based on the Telco Cloud. It also focuses on continuous rollout of smooth network evolution and innovative services such as new calling and spatial video, to unlock greater socioeconomic value from 5G.

At this year's summit, you are welcome to discuss global industry trends and hot topics with industry leading experts and influencers.

We are looking forward to your innovative practices and forward-looking thoughts, which we believe will promote the sound development of the 5G industry.

**Richard Liu**

President of Cloud Core Network Product Line
