

Intelligent Core is Now

 10-11 September 2024

 Atlantis The Royal, Dubai, United Arab Emirates

Dear Sir/Madam,

We are thrilled to invite you to this year's 5G Core Summit (5GCS) at the stunning Atlantis the Royal in Dubai, from September 10 to 11.

Join us at the industry's most exclusive high-level summit, where we'll dive into the hottest topics shaping the future of core networks: 5G SA, voice, telco cloud, AN, and 5G-A Intelligent Core. Our mission is to unlock the immense business value of 5G and spearhead industrial digitalization.

This year's 5GCS is a must-attend event, bringing together visionary leaders and technological trailblazers from the 5G ecosystem. Discover how today's networks can drive diversified services and maximize revenue potential. Gain invaluable insights and learn from the best practices that are propelling the commercial success of 5G core network construction and evolution.

We deeply appreciate your unwavering support and contributions to core network development. Don't miss this unparalleled opportunity to be part of the future of 5G. See you in Dubai!
