

# Accelerate Green & Digital Transition Together

HUAWEI CONNECT 2023 · PARIS

 Paris, France

 November 15-16, 2023

I N V I T A T I O N

Dear Ms./Mr. \_\_\_\_\_:

I would like to invite you to join us at **HUAWEI CONNECT 2023 · PARIS**, to be held on November 15-16<sup>th</sup> at the Paris Expo Porte de Versailles.

The theme of this year's event is "Accelerate Green & Digital Transition Together", with global thought leaders, business and technology entrepreneurs and ecosystem partners invited to share their expert insights and strategies.

Huawei firmly believes that green and digital transition are two major trends driving the sustainable development of European industries. By enabling the adoption and growth of digital skills we will pave the way for a greener Europe. Together, we will work with customers and partners using innovative Information and Communications Technology (ICT) to accelerate that transition, share new digital breakthroughs and create greater value.

At this year's HUAWEI CONNECT PARIS event, you can:

- Attend over 30 keynotes, summits and sessions that explore industry solutions to the green and digital transition challenges
- Access the 3,000 m<sup>2</sup> exhibition area and see for yourself how digital innovations and applications are reshaping different industries
- Network and discuss business opportunities with potential customers and partners
- Exchange ideas with tech experts and developers, learn about the latest solutions and gain hands-on experience of ICT technologies

As always, thank you for your ongoing support. We look forward to seeing you in Paris!

Yours Sincerely,

Jim Lu  
President of the European Region  
Senior Vice President  
Huawei Technologies
