

AMPLIFY Digital and Green Transformation

HUAWEI CONNECT 2024 • PARIS

📅 November 14-15 (Thursday-Friday)

📍 Paris, France

Dear Ms./Mr. _____:

On behalf of Huawei, I'd like to invite you to attend HUAWEI CONNECT 2024 • PARIS, which will be held from **14th -15th Nov** at **Paris Expo Porte de Versailles**.

The theme of this year's event is "Amplify Digital and Green Transformation". Artificial intelligence is advancing fast, enabling new means of production, greater efficiency, and better quality of life. At the same time, digital and green transformation remains a core European strategy. Together, we will work with customers and partners using innovative Information and Communications Technology (ICT) and AI to amplify that transformation, share new digital breakthroughs and create greater value.

At HUAWEI CONNECT 2024 • PARIS, we will explore how different industries can capitalize on digital and green technology, focusing on strategy, industry development, and ecosystem. Specifically, you will have access to:

- Over 25 keynote presentation, summits and sessions, where a diverse range of global speakers will share their latest insights and offer updates on industry developments
- A 3000 m² exhibition area, where you can examine Huawei's latest suite of solutions and joint innovations with partners
- Connect directly with business and thought leaders and tech experts
- Potential business opportunities with customers and partners.

Please join us at HUAWEI CONNECT 2024 • PARIS!

This event provides a great opportunity to meet up, share ideas, and discover how to make digital and green technology work better for you and your business.

As always, thank you for your ongoing support. We look forward to seeing you in Paris!

Sincerely,

Jim Lu
President of the European Region
Senior Vice President
